

Cued Ballroom Dance

The easy and fun alternative to traditional ballroom dance

Cuing makes the difference!

- Cuing makes it easy - focus on "the beat and the feet" and leave the driving to us!
- Cuing makes it fun - excellent choreography, every song, every time.
- Singles and Couples welcome.
- No need for couples to change partners.

It's a date night, a new hobby, an exercise program, and a chance to meet new friends – and it's *fun!*
