

Sacramento Cued Ballroom Dance Club

New! “Sampler” Classes

These are self-contained, 4-week introductory classes. Students will be taught all the steps necessary to enjoy a dance specially choreographed for this class. This is a chance for those unfamiliar with Cued Ballroom Dance to experience the wonders of cuing while learning steps they can use on any dance floor. Specially designed for those new to ballroom dance, it is also suitable for existing ballroom dancers who are curious about Cued Ballroom.

It's a date night, a new hobby, an exercise program, and a chance to meet new friends – and it's *fun!*

Classes are held Tuesday evenings, 6:30-7:30 pm.
