

Sacramento Cued Ballroom Dance Club

West Coast Swing the easy way!

Want to learn West Coast Swing? Cuing makes it easy and fun! Cuing frees you from the complexities of leading and following and allows you to focus on the fundamentals – the beat and the feet.

Although we like to use cuing for all our dances (professional choreography with no memorization!), the steps you'll be learning are all standard West Coast Swing steps. Let cuing get you ready – and *then* go solo!

This class is suitable for all levels – no prior dance experience needed. Just a desire to learn WCS and a willingness to have some fun along the way. Come learn to dance the easy way!

Classes are Tuesday evenings 7:30-8:30 pm starting Nov 7, 2017.

Club meets at:

Community of Christ Church, 4044 Pasadena Ave, Sacramento

Cost: \$7 per person
